

# Give Small Groups a try for Advent!

We would like to develop some Small Groups of 6-8 people to build our community life here at St. John's and St. Mary's parishes. Why? Because Small Groups are a way to get to know other members of our church family and help us all to grow in our faith. We are not meant to do life "alone." Most of us have been in groups that have made a positive impact on our lives – teams that we've played on, groups of friends, people that share common interests or hobbies with us. Even if you don't think you would be into the "group thing", don't be afraid to give it a try! A small group of six to eight people helps us to make connections with those, like us, who want to be friends of Jesus and support others with the same goal. You can even get together a small group of your own friends and form a group yourselves! Please fill out the form below and drop it into the collection basket by Sunday, November 3. You can also take a picture of the completed form and text it to Fr. Dan at (740) 298-4158
